NEW ONLINE REGISTRATION SYSTEM & ONLINE PRE – REGISTRATIONS FOR LEAGUES

MPSA has implemented a new online registration system for registering MPSA and SAPSA members.

MPSA & SAPSA payments will now be paid ***DIRECTLY*** into the MPSA account and ***NOT*** the club's account. Each club will receive an active link that keeps track of all payments made on the online system.

In the event that members pay MPSA & SAPSA and not club fees, it will be the club's responsibility to rectify the situation at this stage, as MPSA cannot verify club payments.

Good news is that MPSA has negotiated that all MPSA affiliated clubs will be able to use the online registration system on club level.

How will this work? Each club will receive their own unique link for club registrations and payments only and an active link that keeps track of all payments made on the online system.

Cost: Currently it is a free service but might increase in 2018 if we decide to move away from EFT payments to direct online payment on the system. Interested clubs can contact Madeleine.

We will also implement the online pre- registration for leagues this year, the reason for this is that according to the MPSA constitution 4.4 ***ALL*** competitors at provincial league matches must be affiliated to SAPSA.

Level 2 matches will lose SAPSA sanctioning if we don't comply to this clause.

ONLY FULLY PAID MPSA AND SAPSA MEMBERS WILL BE ALLOWED TO COMPETE IN A LEAGUE – NO EXCEPTIONS

How will this work? We will create the online link for each upcoming league on behalf of the clubs and distribute the link to the host club, this way we can check each entry to ensure we comply to the constitution.

Kind regards
